2. The Debtor is the debtor in the bankruptcy case bearing Case Number 22-50228 (the “Bankruptcy Case”), filed on October 7, 2022 (the “Petition Date”), and pending in the United States Bankruptcy Court for the Western District of North Carolina (the “Court”).

7. Alan J. Sussman & Associates, LLC d/b/a The Sussman Agency is a Michigan limited liability company (“Sussman”).

8. Franklin Communications, Inc. d/b/a Columbus Radio Group is an Ohio corporation (“CRG”).

9. Scripps Media, Inc. is a Delaware corporation (“Scripps”).

10. Nexstar Media Group, Inc. is a Delaware corporation (“Nexstar Media Group”) and Nexstar Media Inc. d/b/a Nexstar Broadcasting, Inc. is a Delaware corporation (“Nexstar Media” and together with Sussman, CRG, Scripps, and Nexstar Media Group, the “Defendants”)

Facts

11. Defendant Sussman is an unsecured creditor in the Debtor’s bankruptcy case.

12. Prior to the Petition Date, the Debtor was engaged in the business of the sale and installation of solar panels.

13. Defendant Sussman was, at all relevant times, vendors or creditors that provided goods and/or services to or for the Debtor.

14. On or within ninety (90) days prior to the Petition Date, (the “Preference Period”), the Debtor made certain transfers of an interest in its property, including transfers to or for the benefit of the Defendants herein as identified on Exhibit A, attached hereto and incorporated herein by reference.

15. On or about October 4, 2023 (the “Demand Date”), demand was made on behalf of the Plaintiff upon Defendant Sussman for return of the Transfers (as defined below).

16. The amounts stated in this Complaint may differ from the amount demanded by the Plaintiff in his original demand letter(s). In the months leading up to the filing of this Complaint, the Plaintiff continued to gather and review information regarding the Debtor’s pre-bankruptcy transfers. In some instances, the Plaintiff’s efforts resulted in necessary adjustments to preference demand amounts.

17. The Plaintiff has conducted an investigation regarding the Transfers and potential defenses thereto, which has included a review of (i) the Debtor’s schedules, (ii) the Debtor’s accounting system, (iii) the statements and records of Debtor accounts known to the Plaintiff, (iv) in the event the Defendants filed a proof of claim, such proof of claim, and (v) in the event the Defendants provided responsive materials to the demand letter, the responsive materials and/or arguments provided.

18. Based upon Plaintiff’s review of the information, if any, provided by Defendants prior to filing this Complaint, and after performing his own due diligence evaluation of the reasonably knowable affirmative defenses to avoidance of the Transfer(s), the Plaintiff has determined that the Plaintiff may avoid some or all of the Transfers even after taking into account Defendants’ affirmative defenses.

19. The Defendants have failed to repay any portion of the Transfers to the Plaintiff.

Additional Claims

20. Plaintiff is seeking to avoid all of the transfers of an interest of Debtor’s property made by Debtor to Defendants within the Preference Period.

21. During the course of this adversary proceeding, Plaintiff may learn of additional transfers made to Defendants during the Preference Period or that may be avoidable under other provisions of the Bankruptcy Code. The Plaintiff intends to pursue all such claims. Accordingly,

Plaintiff reserves its right to amend this original Complaint to include: (i) further information regarding the Transfer(s), (ii) additional transfers, (iii) modifications of and/or revisions to Defendants' names, (iv) additional defendants, and/or (v) additional causes of action, if applicable (collectively, the "Amendments"), that may become known to Plaintiff at any time during this adversary proceeding, through formal discovery or otherwise, and for the Amendments to relate back to this original Complaint.

Transfers to Defendants

22. Debtor made various transfers to or for the benefit of the Defendants in advance of the Petition Date.

23. Specifically, the Debtor made each of the transfers listed in **Exhibit "A"** attached hereto and incorporated herein to, or for the benefit of, the Defendants in the amount and on the date set forth (each a "Transfer" and together the "Transfers").

24. Each of the Transfers is identified in the Debtor's accounting systems as amounts due and paid to Sussman on antecedent debt.

25. None of CRG, Scripps, Nexstar Media Group, or Nexstar Media are in the Debtor's accounting systems as a vendor to the Debtor.

26. Upon information and belief, Transfer No. 1 was made to CRG for the benefit of Sussman.

27. Upon information and belief, Transfer No. 3 was made to Scripps for the benefit of Sussman.

28. Upon information and belief, Transfer No. 4 was made to either Nexstar Media Group or Nexstar Media for the benefit of Sussman.

29. Based upon information currently available to the Plaintiff, it appears that the Defendants may have certain affirmative defenses to Plaintiff's avoidance of certain portions of the Transfers (the "Affirmative Defenses"). Based upon the Trustee's review of the Debtor's available

records and those records provided by the Defendants to the Plaintiff, if any, the Plaintiff believes the Defendants' Affirmative Defenses are as set forth on ***Exhibit "A"*** attached hereto and incorporated herein.

30. Based upon the Plaintiff's pre-filing due diligence, the Plaintiff believes and asserts that the net avoidable transfers (i.e., the total Transfers less the Affirmative Defenses) are as set forth on **Exhibit "A"** attached hereto and incorporated herein (the "Net Transfers").

CLAIMS FOR RELIEF

COUNT I

Avoidance of All Transfers during the Preference Period - 11 U.S.C. § 547 as to Sussman

31. Plaintiff incorporates the allegations set forth in the paragraphs above.

32. Section 547(b) of the Bankruptcy Code authorizes the trustee to avoid a transfer of any interest in the debtor's property: (a) to or for the benefit of a creditor; (b) for or on account of an antecedent debt owed by the debtor before the transfer was made; (c) made while the debtor was insolvent; (d) made within 90 days before the Petition Date; and (e) that enables the creditor to receive more than it would receive had: (i) the case been filed under chapter 7 of the Bankruptcy Code; (ii) the transfer(s) not been made; and (iii) the creditor received payment of the debt to the extent provided by the Bankruptcy Code. *See* 11 U.S.C. § 547(b).

33. During the Preference Period, Debtor made the Transfers to or for the benefit of Sussman.

34. Each Transfer was made from the Debtor and each constitutes the transfer of an interest in property of the Debtor.

35. Sussman was a creditor of Debtor at the time of each Transfer by virtue of supplying goods and/or services to Debtor for which the Debtor was obligated to pay.

36. Each Transfer was made to, or for the benefit of, Sussman.

37. Each Transfer was made for, or on account of, an antecedent debt or debts owed by Debtor to Sussman before such Transfer were made, each of which constituted a “debt” or “claim” (as those terms are defined in the Bankruptcy Code) of Sussman prior to being paid by the Debtor.

38. Each Transfer was made within the ninety (90) day period preceding the Petition Date.

39. Based upon the Plaintiff’s review, the Debtor was insolvent during the Preference Period.

40. Plaintiff is entitled to the presumption of insolvency for each Transfer made during the Preference Period pursuant to 11 U.S.C. § 547(f).

41. Each Transfer enabled Sussman to receive more than it would have received if: (i) the case were a case under chapter 7 of the Bankruptcy Code, (ii) the Transfer had not been made, and (iii) the Defendants received payment of the debt to the extent provided by the provisions of the Bankruptcy Code.

42. As evidenced by Debtor’s schedules filed in the underlying bankruptcy case as well as the proofs of claim that have been received to date, the Debtor’s liabilities grossly exceed the value of its assets such that Debtor’s unsecured creditors will not receive payment of their claims in full from the Debtor’s bankruptcy estate.

43. Plaintiff brings these claims within the period afforded by the statute of limitations.

44. Plaintiff is entitled to judgment avoiding the Net Transfers under the provisions of 11 U.S.C. § 547.

INSTRUCTIONS

The filing of a bankruptcy case creates an “estate” under the jurisdiction of the bankruptcy court which consists of all of the property of the debtor, wherever that property is located. Because the bankruptcy estate is so extensive and the jurisdiction of the court so broad, there may be lawsuits over the property or property rights of the estate. There also may be lawsuits concerning the debtor’s discharge. If such a lawsuit is filed in a bankruptcy court, it is called an adversary proceeding.

A party filing an adversary proceeding must also must complete and file Form 1040, the Adversary Proceeding Cover Sheet, unless the party files the adversary proceeding electronically through the court’s Case Management/Electronic Case Filing system (CM/ECF). (CM/ECF captures the information on Form 1040 as part of the filing process.) When completed, the cover sheet summarizes basic information on the adversary proceeding. The clerk of court needs the information to process the adversary proceeding and prepare required statistical reports on court activity.

The cover sheet and the information contained on it do not replace or supplement the filing and service of pleadings or other papers as required by law, the Bankruptcy Rules, or the local rules of court. The cover sheet, which is largely self-explanatory, must be completed by the plaintiff’s attorney (or by the plaintiff if the plaintiff is not represented by an attorney). A separate cover sheet must be submitted to the clerk for each complaint filed.

Plaintiffs and Defendants. Give the names of the plaintiffs and defendants exactly as they appear on the complaint.
Attorneys. Give the names and addresses of the attorneys, if known.
Party. Check the most appropriate box in the first column for the plaintiffs and the second column for the defendants.
Demand. Enter the dollar amount being demanded in the complaint.

Signature. This cover sheet must be signed by the attorney of record in the box on the second page of the form. If the plaintiff is represented by a law firm, a member of the firm must sign. If the plaintiff is pro se, that is, not represented by an attorney, the plaintiff must sign.
